Coral Views Village | Quarter-Acre Corner Lot | North Shore, Roatan This one is priced to move, and it's a genuinely good buy. The sellers are motivated so it's priced accordingly, so if you have a client who's been sitting on the fence about Coral Views, now is the time. It's a corner lot with access from three different roadways, which gives your client real flexibility on how they approach the build. The lot is elevated with beautiful Caribbean views, adjacent to Pristine Bay, and has a buildable footprint with a builder already in place and ready to go. Coral Views Village needs no introduction for Roatan realtors, but for your clients: affordable luxury community, beach, dock, community pool, 24-hour security, paved roads, and low HOA fees. French Harbor minutes away, airport 15 minutes out, West End and West Bay 30 to 40 minutes down the road. Seriously, this one checks every box at a price point that...
