Pumpkin Hill is Utila's up and coming area where in-town, residential, road accessible properties close to the wonderful ocean are becoming scarce. This approx. 0.17 acre (724.51 sq.m/7,798.53 sq.ft) homesite is only a 20 second stroll to the beach. Get your piece in Paradise with new services in the area like food services, a store and bars. Pumpkin Hill tantalizes your six senses! You can FEEL the incredible ocean breeze, SEE the rolling turquoise and bubbling white waves, SMELL the clean, crisp air, go barefoot and TOUCH the powder white sand of the beach under your feet, get a TASTE of the Caribbean life and you'll EXPERIENCE the hypnotic allure of Pumpkin Hill, Utila. Owner financing options available.
