Investor Opportunity in West End! This solid concrete fourplex is being sold as-is and is ready for completion. Located along a quiet road near Petrosun, the property offers convenient, flat-road access to all of West End amenities and Half Moon Bay. Significant site improvements have already been completed, including extensive concrete retaining walls and culvert work, creating a well-improved building lot. The existing concrete structure has electrical and plumbing set and is ready for the finishing stages. Architectural plans are included and showcase the potential for second-floor apartments, a swimming pool, and rooftop patios, as shown in the photo rendering. The generous lot provides ample space for parking and potential future expansion. Complete the existing fourplex for a potential income-producing investment, or explore the development plans for two additional two-bedroom apartments and enhanced...
