Honduras - Francisco Morazán
Distrito Central (Comayagüela y Tegucigalpa)
Listing ID: 003104490001

In a city that never stops growing like Tegucigalpa, finding a property with a strategic location is no longer common; it is a competitive advantage. This land, located on the Anillo Periférico, represents much more than an expanse of land. It is a real opportunity to develop a project with vision: from a residential subdivision to a commercial or industrial complex that takes advantage of the high vehicle traffic and immediate connectivity. With a total area of 16 blocks, and the possibility of acquiring from 2.5 blocks, it suits both investors looking to start and developers thinking big. Its direct access to one of the city's main arteries guarantees visibility, appreciation in value, and operational ease in any type of project. Opportunities with this level of location and projection do not usually remain available for long. If you are considering investing in land with...
