Discover this excellent opportunity to own a lot near the beach shore with full access to the beach in one of the fastest-growing areas. The property measures 14 x 20 meters, giving a total of 280 square meters (approximately 400 square yards). The lot already has water and electricity available, ready for construction. Located within a gated community, it offers 24/7 security with a permanent guard, ensuring peace of mind for your investment. The area is in constant development, with several constructions around that increase its value over time. Marazul Beach House is one of the closest projects to the town center, offering a strategic and convenient location.
