Listing ID: 703203936002

Located in the heart of the Cocalito area, in Trujillo Bay, this land is a gem for those looking to develop a unique project in one of the fastest-growing zones. You can build a beach villa for Airbnb. Land Features: Total Area: 400 m², fully fenced with wood, ensuring a direct connection with nature and the environment. It already includes a thatched hut (champa) for family recreation. Unbeatable Location: Just a few steps from the beach shore. Already equipped with electricity and water. Closed circuit security and 24/7 surveillance. Located within a formal, private urbanization project. High Potential Area: The Cocalito area is emerging as a high-growth and heavily invested tourist zone, with many beach villas currently under construction for rental purposes. The geographic position of the Marazul Beach House Project is unmatched, as it is located just 1 KM from the Guaym...
